

## OLDER PERSON'S WELLBEING STRATEGY

On the 2<sup>nd</sup> February 2010 an Older Person's Wellbeing event was held in the Church on the Heath. Residents attended from throughout the district and discussed the 7 dimensions of independence that are listed in the HCC Older Person's Wellbeing Strategy, to identify any issues and gaps in services. We would like to know the views of as many older residents as possible before feeding this information into the Older Person's Wellbeing Strategy for Hart. All the information from the event can be viewed at [www.hartlsp.co.uk/?page=29](http://www.hartlsp.co.uk/?page=29)
